12th BALATON SYMPOSIUM

ON HIGH-PERFORMANCE SEPARATION METHODS

September 11-13, 2019, Hotel Azúr**** Siófok, Hungary

Hungarian Society for Separation Sciences

Twenty-four years after the first Balaton Conference, the Hungarian Society for Separation Sciences (HSSS) is happy to announce that the well-established series of Balaton Symposia is continuing.

Following the traditions of the series, the

12th Balaton Symposium on High-Performance Separation Methods

is going to be held on September 12-13, 2019 in the Hotel Azúr in Siófok, Hungary.

The series of Balaton Symposia has grown to one of the major events of separation science in Central Europe. Biannually, the Balaton Symposium brings together separation scientists and friends from all over the world.

The aim of the 12th Balaton Symposium is to bring together experts, decision makers, users, and scientists of high-performance separation methods to discuss the latest issues, current requirements, and technological challenges we face in the present and future.

The focus of the 12th Balaton Symposium on High-Performance Separation Methods will be on the various analytical, preparative, and industrial separation methods and techniques. The symposium will place special emphasis on new developments in pharmaceutical, environmental, biomedical, forensic, life sciences and industrial separation methods. Further, research trends on various stationary phases and column technology, advances in separation techniques, fundamentals of separation science and applications are to be emphasized.

If you are interested in sponsoring or exhibiting at the 12th Balaton Symposium on High-Performance Separation Methods, we can offer you attractive packages. Diamond Congress Ltd, our partner for the symposium and exhibition organization offers numerous alternatives for you to promote your business and will work closely with you to create a package tailored to you company's needs.

We are looking forward to meeting you in Siófok at the 12th Balaton Symposium on High-Performance Separation Methods.

Exhibition opportunities

In addition to the opportunities described above, certainly exhibition space is also offered for interested companies. The organisers intend to hold an informal exhibition in the coffee break area without building shell scheme exhibition booths. Exhibition space can be ordered by any company, however, priority spaces have been reserved for sponsoring companies selecting any of the packages above. The m² space listed in the official packages can be increased with the payment of surcharge and according to the conditions detailed below. Exhibition areas of 10 or 8 m² are only available for our sponsors.

The exhibition unit space includes: the selected space, 1 table, 2 chairs, 1 waste paper bin, electrical connection (230 V). The furniture can be adjusted in case of bigger stands. Besides, the name of exhibiting companies will be recorded in the programme booklet and the website, with expression of thanks. Additionally, we provide the opportunity to insert a B5 sized full page colour advertisement in the programme booklet or a flyer insert option in the symposium bag. The advertisement charge is included in the exhibition fee, so no extra charge applied. The published m² rates do NOT include the registration fee of the exhibitor. The staff, manning the stand, is considered a participant, so the registration fees announced on the website are applicable:

<http://balaton.mett.hu>

The exhibition fees are as follows:

4 m ² unit space	800 EUR+VAT
6 m ² unit space	1000 EUR+VAT

The exhibitor application form should be sent to any of the contact addresses seen below, **prior to June 30, 2019**. Considering the space limit at the venue, the recommended date of application is **April 30, 2019**.

Advertisement opportunities

Full page colour advertisement in the programme booklet in B5 size **270 EUR+VAT**

Flyer insert in the symposium bag (maximum A4 size) **270 EUR+VAT**

We would like to call your kind attention that advertisements are usually part of the sponsoring and exhibition packages, so the prices above mainly reflect to additional pages or leaflet inserts.

Conditions of application and payment

In order to apply for one of the sponsorship packages listed in this booklet, please send your **written expression of intent** indicating your preferred package to the **Symposium Secretariat** not later than **June 30, 2019**. The content of the sponsorship packages are considered as an official offer on behalf of the organisers. Accepting the offer in any written form (e-mail or application form) results a contract between the parties. After receipt of your application, Diamond Congress Ltd. will sign a contract with the sponsoring company. The sponsorship packages do not include VAT which is currently 27%. The **deadline of the payment** of sponsorship, advertisement and exhibition fees is **latest July 10, 2019**. The organisers reserve the right and the option to alter the content of the packages in the final contract if this is in favour of mutual interest of the parties. **Cancellation is not possible from the side of the sponsor, after having sent the expression of intent**, as the service (communication towards the participants) is started by the organisers immediately. Cancellation of sponsorship is possible only in case the organiser of the conference does not perform the services listed in the offers due to its own fault. In case the sponsoring package is already booked by another company, the organiser should inform the sponsor immediately and may offer another package to the sponsor.

In case of exhibition space order, the **stand place cannot be occupied by the exhibitor** unless the **full price** of the stand is **paid until August 31, 2019**. Cancellation of the exhibition space can be made in writing, prior to **June 30, 2019**. Between June 30 and July 31 50 %, after this date the full price of the exhibition space should be paid.
